"Bridging Governance, Development and Humanitarian Service"

Executive Profile

I am a Google Certified International Scholar, former senior civil servant, development professional, academic and social leader with more than 35 years of experience in public administration, local government, governance, institutional development and social development. As a member of the 11th BCS (Administration) cadre, I served the Government of Bangladesh and retired as Secretary to the Government of the People's Republic of Bangladesh.

Throughout my career, I have developed extensive expertise in strategic administration, policy implementation, institutional management, development coordination, public service delivery and stakeholder engagement.

Government Service Career Timeline

SENIOR ROLE	**Secretary**, Government of the People's Republic of Bangladesh Reached Secretary-level leadership and retired from public service after a distinguished senior administrative career.
14+ YEARS	**Chief Executive Officer (In Charge) & Secretary**, Four Zilla Parishads Provided long-term executive and administrative leadership across local government institutions and development coordination.
2001-2006	**Protocol Officer to the Hon'ble Prime Minister of Bangladesh** Served in a high-trust protocol role supporting official functions, coordination and government-level engagements.
EARLY CAREER	**Field Administration Assignments** Served as Assistant Commissioner, Assistant Commissioner (Land), and Assistant Commissioner & Magistrate, gaining practical experience in land administration, regulatory functions, public administration and development coordination.

National & International Engagements

International Exposure
Visited more than 25 countries through personal journeys and official state visits conducted with full government protocol.

Professional Engagements
Actively participated in seminars, symposiums and training programs across national and international platforms.

Connecting Governance With Human Development

A defining strength of my professional experience is the ability to connect public administration with social and economic development. My experience at national, district and community levels enables me to work across government, civil society, development organizations, professional networks and local communities.

I am particularly committed to strengthening local institutions, human capital, women's participation, youth and skills development, social inclusion, accountable governance and sustainable community development.

Leadership Philosophy | Integrity • Professionalism • Accountability • Transparency • Institutional Discipline • Inclusiveness • Service to Humanity
